PRIVACY ACT STATEMENT

Authority: 22 USC 2658, Executive Order 10450: Executive Order 12958: and Section 506(A) of the Federal Records Act of 1950, as amended.

Purpose: To conduct appropriate national agency checks prior to issuing a U.S. Department of State Credential/Event ID Card. Routine uses to track, manage, and control access to buildings and restricted areas and to determine the status of individuals entering U.S. Department of State controlled areas. In addition to the U.S. Department of State, the information may be released to any other Federal, state, or municipal law enforcement agency for law enforcement purposes: agencies having statutory intelligence responsibilities: and agencies having oversight or review authority with regard to investigative responsibilities.
