Dear Ted

The Assigned Personnel (AP) arrangement between The United States Department of Defense and the United Kingdom Ministry of Defence regarding the assignment of military personnel to United States Strategic Command has been in place for over 2½ years. The United Kingdom recently re-asserted its commitment to these posts by replacing both original incumbents on routine posting. The posts have proved to be of great value and, through feedback from your staff, we feel of equal value to United States Strategic Command.

We are grateful that United States Strategic Command has seen the mutual benefit to both parties and agreed to accept these replacement officers.

Yours Sincerely  
Peter

Dear Major General Gilchrist,

We are pleased to report the Assigned Personnel (AP) arrangement between the United States Department of Defense and the United Kingdom (UK) Ministry of Defence regarding the assignment of United Kingdom military personnel has been extended for three years.

The contributions of the UK staff members assigned to United States Strategic Command have been numerous and noteworthy, and we are confident this extension will lead to even greater cooperation between our two nations.

Sincerely,
