

## V - COUNTRY LISTINGS

This section pulls together information contained in previous sections, and presents it by country for 188 UN members (all except the United States). This includes one new member—Tuvalu—admitted in 2000 (on February 17 by the Security Council and on September 5 by the General Assembly).

The countries are listed in alphabetical order, with Democratic People's Republic of Korea under "D", Republic of Korea and Republic of Moldova under "R", The Former Yugoslav Republic of Macedonia under "T", and United Republic of Tanzania under "U", as they are seated at the UN General Assembly. The Democratic Republic of the Congo, formerly Zaire, is listed under "D". Congo (Brazzaville) remains at "C". Burma, which changed its name to Myanmar and is so designated at the United Nations, is listed under "M". Ivory Coast changed its name to Cote d'Ivoire several years ago; it is listed under "C". Each country listing contains the following:

— Summary coincidence percentages drawn from Sections II and III, and, for Security Council members, Section IV. Coincidence percentages for selected issue categories are included; they are derived by the same methodology used for overall plenary votes, i.e., identical votes divided by the sum of identical and opposite votes; abstentions and absences are not included, nor are consensus resolutions.

— Vote totals in the plenary and on the 11 important votes.

— Every vote on the 11 important issues (with the U.S. vote in parentheses for comparison). Symbols used here are Y=Yes, N=No, A=Abstain, and X=Absent.
