## INSTRUCTIONS

1. To avoid delays in processing, please ensure the accuracy of the odometer reading and the vehicle identification number.
2. Always write your name in the following order: surname, given name, initial. Spell your name exactly as it was given to the Office of protocol. (Applications with names different from the accreditation record will be returned for verification.)
3. When writing in numbers only, use the month, date, year format (mm-dd-yyyy). Give your date of birth exactly as it was given to the Office of Protocol.
4. When registration of a personal vehicle is requested, your residence address is required. A duty address is unacceptable unless you live at that address.
5. Copy all the motor vehicle information from the Certificate of Origin or Vehicle Title. Be very careful when copying the vehicle identification number. **Provide mileage displayed on the vehicle's odometer. (This application cannot be processed without odometer information.)**
6. If applicable, provide the name and address of the bank or other institution with a financial interest (lien) in the motor vehicle.
