MEMORANDUM FOR DR. KISSINGER

FROM: Al Haig *AH*

*Where do we stand?
If - is action best to take
it over*

You should know that Pat Moynihan feels strongly that we should set up a project group here in the White House to handle this problem. I have held him off pointing out that State and Justice are to have their proposals to us by the 15th of October. However, you may want to call Moynihan personally since he feels so strongly about this project and might believe that you are slighting it.
