MEMORANDUM FOR:

THE SECRETARY OF STATE
THE SECRETARY OF DEFENSE
THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: National Security Study Memorandum 241:
U.S. Policy in Southern Africa

In order to take into account the findings of the Secretary of State during his recent trip to Africa, the President has directed that the study requested in NSSM 241 include consideration of the following points:

-- The security and economic requirements of Zaire, Zambia and Kenya, with recommendations as to the need for an magnitude of increased United States economic, military or security supporting assistance.

-- The feasibility of a major multilateral venture for Sahel development, with recommendations as to United States leadership and participation in the further development of international cooperation to resolve this major problem. The study should address recommended funding levels and institutional approaches to U.S. participation in such a program.

Where applicable, recommended courses of action in the NSSM 241 study should include an indication of the budgetary implications therein.

The NSC Interdepartmental Group preparing the study should be expanded to include a representative of the Office of Management and Budget.

In view of these additional requirements, the deadline for the submission of the study to the NSC Senior Review Group is extended to June 11, 1976.
