- a. The Secretary of State submits the Department's appropriations requests to the President pursuant to 31 U.S.C. 1108. Each request is prepared and submitted through the Office of Management and Budget (OMB) in the way and at times prescribed by the President. Supplemental appropriations, when called for by the President, are submitted in essentially the same way.
- b. - c. RM provides budget policy and guidance along with detailed instructions to the bureaus with respect to budget submissions.
