This Agreement identifies planned funding inputs and Bolivian and United States Government responsibilities in the implementation of a joint project to reduce, and ultimately to eliminate, the illicit production of cocaine in Bolivia for export or for domestic abuse.

This Agreement specifies additional funding inputs for United States Fiscal Year 2001, the fourteen year of the current project, amending the original agreement to increase project funds by an additional \$ 35,549,477, which shall be utilized for purposes described in the Exchange of Notes and its Parts which become an integral part of this Document and extends the Subobligation Terminal Date for prior year unsubobligated balances.
