

No. 1771

The Embassy of the United States of America presents its compliments to the Secretariat of Foreign Relations of the United Mexican States and has the honor to refer to earlier discussions between representatives of the two Governments regarding the provision by the Government of the United States of America of articles and services to the Government of Mexico pursuant to section 1206 of the National Defense Authorization Act for Fiscal Year 2007 as modified and extended, or successor legislation. In this regard the Embassy refers to the Agreement regarding grants of defense articles, related training, or other defense services to Mexico from the United States, effected by an exchange of notes at Mexico City on September 21, 1990.

In accordance with these discussions, it is proposed that the Government of Mexico agree:

1. That the terms and conditions of the aforementioned agreement shall apply to articles and services provided pursuant to 1206 of the National Defense Authorization Act

for Fiscal Year 2007 as modified and extended, or successor legislation.

2. That the Government of the United States of America may also, from time to time, make the provision of articles and services furnished under other authority (except the United States Arms Export Control Act) and for other purposes subject to the terms and conditions of the aforementioned agreement. (Transfers under the United States Arms Export Control Act shall continue to be governed by the requirements of that Act and United States regulations applicable to such transfers.)

The Embassy proposes that if the foregoing is acceptable to the Government of Mexico, this note and the Secretariat of Foreign Relations of the United Mexican States' note in reply shall constitute an agreement between the two Governments, which shall enter into force on the date of the Secretariat of Foreign Relations of the United Mexican States' note.

The Embassy of the United States of America avails itself of this opportunity to renew to the Secretariat of Foreign Relations the assurances of its highest consideration.

Embassy of the United States of America,

Mexico City, June 30, 2008.
