FY 2008 Estimates represent preliminary levels at the time of printing and are subject to change prior to issuance of the report to Congress on allocations as required by section 653(a) of the Foreign Assistance Act of 1961

The FY 2008 estimate reflects a rescission of 0.7% for accounts funded in Division A of the FY 2008 Consolidated Appropriations Act (P.L. 480 Title II and the McGovern-Dole program) and 0.81% for other accounts.

Additional FY 2008 rescissions in the following accounts, required by Title VI of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2008 (Division J, 110-161), will be taken from prior-year unobligated balances: Economic Support Fund (\$133 million) and Export-Import Bank Subsidy (\$25 million).

The Administration did not include a detailed FY 2009 supplemental request within the Budget. When needs are better known, the Administration will request additional funds for foreign operations, including costs related to supporting freedom in Iraq and building a stable Afghanistan.
