NOTE NO: 73 /2009

The Ministry of Foreign Affairs of the Republic of Seychelles presents its compliments to the Embassy of the United States of America in Port Louis and has the honour to refer to the Ministry's Note 55/2009 of 22<sup>nd</sup> July 2009 and the Embassy's Note SE 60-2009 dated 23 July 2009 regarding the **"Status of Forces Protection Agreement between the Governments of the United States of America and the Republic of Seychelles" (the Agreement)**.

The Ministry wishes to clarify that its Note of 22<sup>nd</sup> July 2009 was meant to inform the Embassy about the provisional application of the Agreement by Seychelles, since by then Seychelles had not completed the internal procedures necessary to bring the Agreement into force. The Ministry therefore has the honour to inform Embassy that this Note constitutes the notification as envisaged by Article 15 of the Agreement.

Further, the Ministry would like to draw the Embassy's kind attention to the last part of the Agreement providing for signature of both Parties at Victoria and Washington, respectively. As the Agreement has been concluded this paragraph may not now have operational value. The Ministry therefore proposes that this part of the Agreement may be considered as omitted.

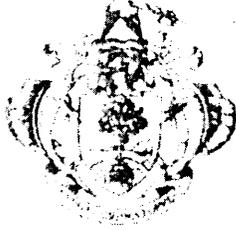

The Ministry of Foreign Affairs of the Republic of Seychelles avails itself of this opportunity to renew to the Embassy of the United States of America in Port Louis the assurances of its highest consideration.
