**SUBJECT: USAID/Zambia Development Cooperation Agreement Number
 611-000-G-11-0000: Implementation Letter Number 1 Incremental
 Contribution to the Development Objectives**

Dear Mr. Permanent Secretary:

This Implementation Letter (IL) is issued in accordance with the Development Cooperation Agreement number 611-000-G-11-0000, dated September 27, 2011, which was entered into by the Government of the Republic of Zambia (GRZ) and the Government of the United States of America (USG) acting through the United States Agency for International Development (USAID) (hereinafter the "DCA").

Pursuant to Article 3.1(b) of the DCA, this IL seeks your acknowledgement and records our mutual agreement on an incremental contribution by USAID to be obligated under this IL in the amount of Forty-Six Million Nine Hundred Forty-Nine Thousand Eight Hundred Four U.S. Dollars (\$46,949,804) which increases the total grant amount in Article 3.1 (a) from One Hundred Seventy Million Seven Hundred Thirty-Nine Thousand Seven Hundred Ten U.S. Dollars (\$170,739,710) to Two Hundred Seventeen Million Six Hundred Eighty-Nine Thousand Five Hundred Fourteen U.S. Dollars (\$217,689,514) consistent with Annex 5 of the DCA.

This incremental funding will support Development Objective 2: Rural Poverty Reduced in Targeted Areas (\$6,900,000); and Development Objective 3: Human Capital Improved (\$40,049,804). This brings the total amount by DO to:

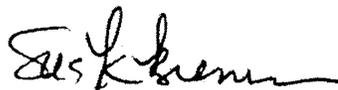

DO1 Enabling Governance Environment Improved	\$1,626,000
DO2 Rural Poverty Reduced in Targeted Areas	\$26,592,728
DO3 Human Capital Improved	\$189,470,786

The attached illustrative financial plan has been modified to reflect this incremental contribution and replaces the prior illustrative financial plan in its entirety.

Please acknowledge to USAID concurrence with this IL by signing two originals of this IL in the space provided. One original should be returned to USAID with the other to be retained for your files.

USAID/Zambia appreciates the opportunity to work with the GRZ to achieve the development objectives mentioned above. We look forward to our continued collaboration.

Sincerely,

Susan K. Brems, Ph.D.
Mission Director
