21st Street Entrance Under Construction

Please note that you MUST enter the Department of State through the 21st St entrance at 21st St and Virginia Ave NW. This entrance is currently under construction and hidden behind temporary walls. Please look closely to find the pathway through the construction.

Foggy Bottom Metro

- The closest metro station to the U.S. Department of State is the Foggy Bottom Metro on the Orange, Blue, and Silver Lines.
- Exit the Metro station and turn right (South) and follow 23rd Street NW for about 3 blocks.
- Turn left (East) onto Virginia Ave NW and walk about 3 blocks.
- Turn right (South) at the corner of Virginia Ave NW and 21st Street NW.
- The U.S. Department of State will be the first building on the right.
- Follow the pathway through the construction into the building.

Please use the 21st street entrance. There is street parking around the building, but come early as spots fill up quickly. Street parking can be found on Virginia Ave NW, E St NW, Constitution Ave, 22nd St, 21st St, 20th St, and other side roads.

Note: The 21st street entrance is under construction, but you may still enter the doors closest to the corner of Virginia Ave/21st.

You will need to go through a security check, look for the sign “Visitor Processing” and enter. Due to the construction, the Visitor Processing Center is a white construction trailer with a wooden ramp.
