

V—COUNTRY VOTING PRACTICES

This section consolidates previous information, and presents it by country for 191 UN members (all except the United States). The countries appear in the alphabetical order by which they are seated at the UN General Assembly. Thus, the Democratic People's Republic of Korea is listed under "D," Republic of Korea under "R," The Former Yugoslav Republic of Macedonia under "T," and United Republic of Tanzania under "U." The Democratic Republic of the Congo, formerly Zaire, is listed under "D." Congo (Brazzaville) remains under "C." Burma, which changed its name to Myanmar and is so designated at the United Nations, is listed under "M." Ivory Coast, which changed its name to Côte d'Ivoire, appears under "C." Each country listing contains the following:

—Summary coincidence percentages drawn from Sections III and IV, and, for Security Council members, Section II. Coincidence percentages for selected issue categories are included. These percentages are derived by the same methodology used for overall Plenary votes, i.e., identical votes divided by the sum of identical and opposite votes; abstentions and absences are not included, nor are consensus resolutions.

—Vote totals in the Plenary and on the 13 important Plenary votes.

—Every vote on the 13 important issues, with the U.S. vote in parentheses for comparison. Symbols used are Y=Yes, N=No, A=Abstain, and X=Absent.

Countries two years in arrears in payment of UN dues are not permitted to vote in the Plenary. For 2006, all countries voted. The Palestinian Authority is not a UN member, and therefore has no voting privileges.
