## TERMS USED IN THE QUESTIONNAIRE

A number of terms are used throughout the questionnaire. Definitions are provided below. Please note that these definitions are exclusively intended to assist in clarifying the terms used in this questionnaire.

- **Advisory body:** Some NCPs have an advisory body which can be consulted by the NCP on a range of activities and issues on which it provides advice. Advisory bodies can include representatives from trade unions, NGOs, business and/or academia, along with representatives of other government ministries or agencies. They do not normally form part of the NCP and do not have decision-making power on accepting or concluding specific instances.
- **Dedicated budget:** A budget that is allocated to the NCP on a regular basis (e.g. every year) to carry out its functions and activities.
- **Independent NCP:** An independent NCP is one whose members do not belong to a government administration, although generally an independent NCP will be supported by a secretariat based in a government administration.
- **Oversight body:** Some NCPs have an oversight body, which has a monitoring role, for example on whether the NCP has followed its own rules of procedures. They can include representatives from trade unions, NGOs, business and/or academia, along with representatives of other government ministries or agencies. They do not normally form part of the NCP and do not have decision-making power on accepting or concluding specific instances.
- **Stakeholder meeting:** A stakeholder meeting is a meeting organised by the NCP to meet with stakeholders, including trade unions, NGOs and the business community that are not part of the structure of the NCP (i.e. they are not members of the NCP, nor present on advisory or oversight bodies).
