NOTICE

Dependent Employment Authorization USCIS I-566 And Application for Employment Authorization USCIS I-765

The Office of Foreign Missions (OFM) wishes to inform the foreign missions of a change in the required documents when submitting requests for Dependent Work Authorization.

Effective immediately, foreign missions and their members may no longer use white-out or any form of correction tape on USCIS forms I-566 and I-765. Use of white-out or any form of correction tape will cause a significant delay in processing; consequently, any USCIS I-566 and I-765 forms that include white-out or any form of correction tape will be returned to foreign missions for resubmission.

Foreign missions may contact OFM with any related questions at OFM-EAD@State.gov
