Pennsylvania “Stay at Home” Order

To further combat the spread of COVID-19, the Governor of Pennsylvania, Tom Wolf, has issued a new directive directing all state residents to shelter at home and limit movements outside of their homes beyond essential needs. The order took effect at 8PM, March 19, 2020. Information concerning the Governor’s action is available at <https://www.scribd.com/document/452416027/20200319-TWW-COVID-19-Business-Closure-Order>.

How does this impact foreign missions and their members?

Foreign missions may continue to perform essential government operations in Pennsylvania. However, all foreign missions are expected to adopt strategies aimed at mitigating the spread of COVID-19, such as maximizing opportunities for their members to work from home (“telework”), applying social distancing of at least six feet, and avoiding local travel unless required for purposes of protecting health, safety, and protection of property.

When not performing those functions, foreign mission personnel and their dependents are expected to fully comply with the requirements of the Governor’s order, as well as any other applicable orders issued by local or municipal authorities.
