## **NOTICE**

### **North Carolina “Stay Home” Order**

To further combat the spread of COVID-19, the Governor of North Carolina, Roy Cooper, has issued an executive order requiring people in the state to stay at home for thirty days, until April 29, 2020, and reduces the size of gatherings to ten people. The order provides for essential businesses to continue to operate while prioritizing social distancing measures. The order is available at <https://files.nc.gov/governor/documents/files/EO121-Stay-at-Home-Order-3.pdf>.

#### **How does this impact foreign missions and their members?**

Foreign missions may continue to perform essential government operations in the state of North Carolina. However, all foreign missions are expected to adopt strategies aimed at mitigating the spread of COVID-19, such as maximizing opportunities for their members to work from home (“telework”), applying social distancing of at least six feet, and avoiding local travel unless required for purposes of protecting health, safety, and protection of property.

When not performing those functions, foreign mission personnel and their dependents are expected to fully comply with the requirements of the Governor’s order, as well as any other applicable orders issued by local or municipal authorities.

The Department appreciates your patience and understanding as local authorities begin to implement these new restrictions.
