NOTICE

Arizona “Stay Home” Order

To further combat the spread of COVID-19, the Governor of Arizona, Doug Ducey, has issued an executive order directing all residents to stay home except in extremely limited circumstances. The order is available at https://azgovernor.gov/sites/default/files/eo_2021_0.pdf.

How does this impact foreign missions and their members?

Foreign missions may continue to perform essential government operations in the state of Arizona. However, all foreign missions are expected to adopt strategies aimed at mitigating the spread of COVID-19, such as maximizing opportunities for their members to work from home (“telework”), applying social distancing of at least six feet, and avoiding local travel unless required for purposes of protecting health, safety, and protection of property.

When not performing those functions, foreign mission personnel and their dependents are expected to fully comply with the requirements of the Governor’s order, as well as any other applicable orders issued by local or municipal authorities.

The Department appreciates your patience and understanding as local authorities begin to implement these new restrictions.

Inquiries concerning the impacts of COVID-19 and the associated responsive effort on the operation of foreign missions in the United States should be transmitted by electronic mail to OFM-EmergencyMgt@state.gov.
