

CONVENTIONAL WEAPONS DESTRUCTION FUNDING

From 1993 through 2019, the United States contributed more than \$3.7 billion for CWD programs in more than 100 countries. The following charts provide a consolidated view of the United States' funding for CWD globally. Budget figures for fiscal year 2018 (October 1, 2017–September 30, 2018) in this edition reflect actual allocations, while budget figures for fiscal year 2019 (October 1, 2018–September 30, 2019) reflect, with a few exceptions, initial planned allocations. The 20th edition of *To Walk the Earth in Safety* will include updated figures for fiscal year 2019 that reflect the final allocations.
