Bureau Strategic Priorities

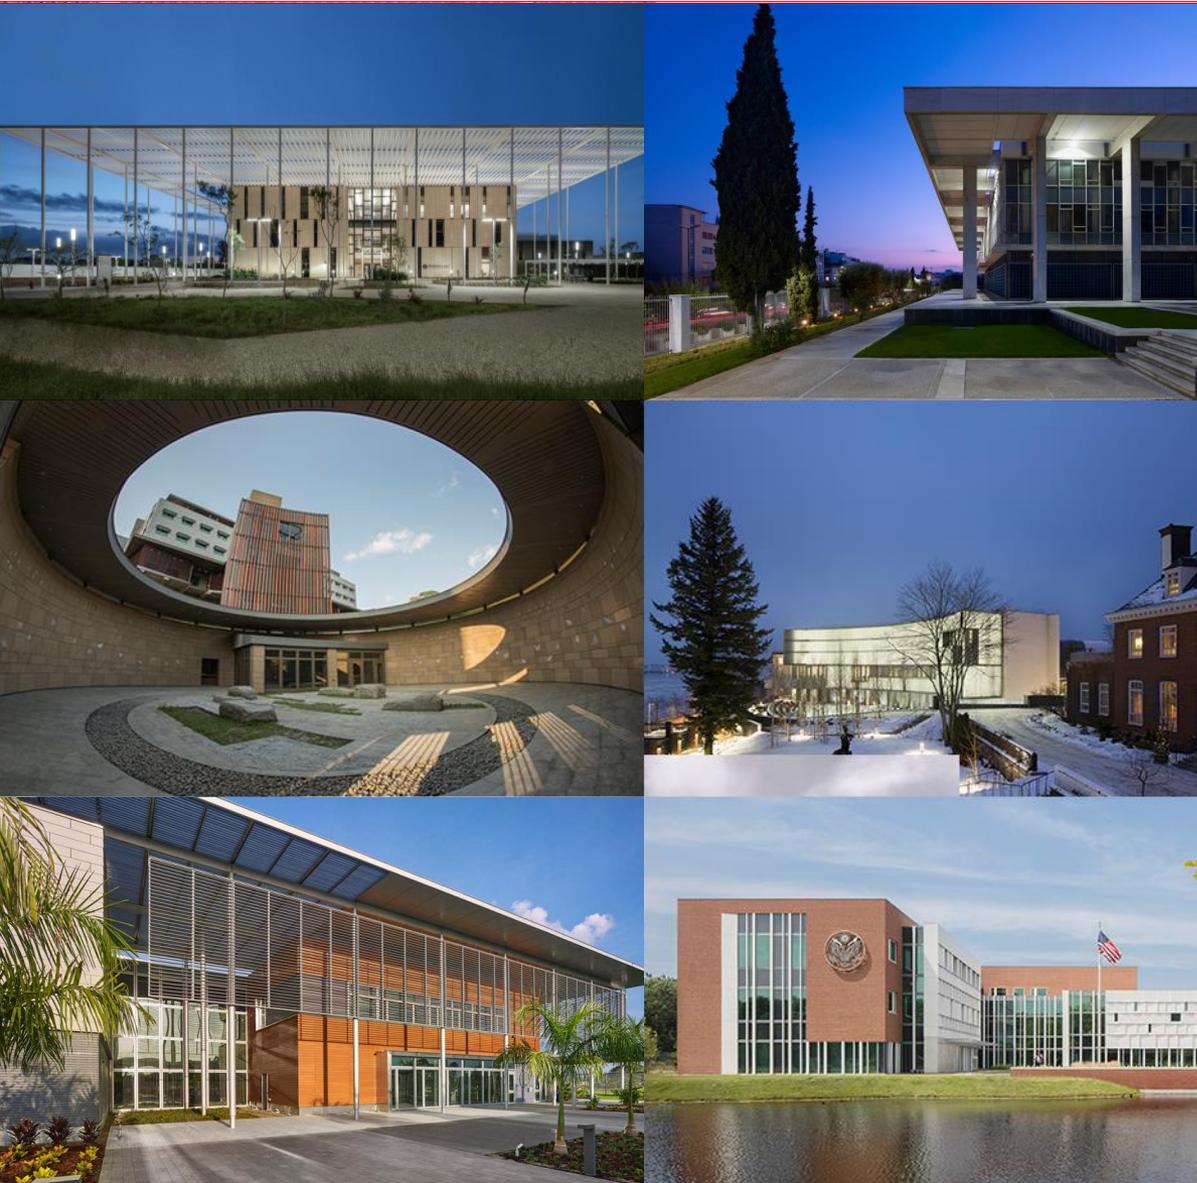

A photograph of Earth from space, showing the curvature of the planet and the sun in the background. The sun is a bright yellow-orange orb on the left side of the frame, casting a glow over the Earth. The Earth's surface is a mix of dark blue oceans and white clouds. The background is a dark, starry space.

“There’s something happening here,
but what it is ain’t exactly clear..”

Buffalo Springfield, 1966

Mission and Vision

Mission
