NOTICE

Honolulu, Hawaii “Stay-at-Home” Order

To further combat the spread of COVID-19, the Mayor of Honolulu, Kirk Caldwell, has issued Emergency Order No. 2020-25, reinstating a “Stay at Home/Work from Home” order directing all Honolulu residents to limit movements outside of their homes beyond essential needs and ceasing the operation of non-essential businesses. This order shall take effect on August 27, 2020 at 12:01AM and remain in place until 11:59PM on September 9, 2020. The Mayor’s executive order is available at [https://www.honolulu.gov/rep/site/may/may_docs/Emergency_Order_No._2020-25 - signed clean typo fix.pdf](https://www.honolulu.gov/rep/site/may/may_docs/Emergency_Order_No._2020-25_-_signed_clean_typo_fix.pdf).

How does this impact foreign missions and their members?

Foreign missions may continue to perform essential government operations in Honolulu. However, all foreign missions are expected to adopt strategies aimed at mitigating the spread of COVID-19, such as maximizing opportunities for their members to work from home (“telework”), applying social distancing of at least six feet, and avoiding local travel unless required for purposes of protecting health, safety, and protection of property.

When not performing those functions, foreign mission personnel and their dependents are expected to fully comply with the requirements of Mayor’s emergency order, as well as any other applicable orders issued by state, local, or municipal authorities.

Additionally, the Mayor’s emergency order requires the following of all essential businesses and operations (including foreign missions) during the period covered by the referenced executive order:

- **Shall make hand sanitizer and sanitizing products readily available for employees and customers.**
- **Shall implement separate operating hours for elderly and high-risk customers.**
- **Shall post online whether a facility is open and how best to reach the facility and continue services by phone or remotely.**

The Department appreciates your patience and understanding as local authorities begin to implement these new restrictions.
