The Office of Foreign Missions (OFM) maintains a Facebook page which can be found at [https://www.facebook.com/ofmdc/?ref=aymt\\_homepage\\_panel](https://www.facebook.com/ofmdc/?ref=aymt_homepage_panel). OFM encourages all foreign mission members who are already users of Facebook to follow—or “like”—this page.

OFM engages with foreign missions and the general public on a broad range of topics to share information regarding OFM’s mission and updates from the United States Department of State through its Facebook page. Along with the announcements related to policy, administrative, and emergency management matters, OFM also utilizes this platform as a means to educate the community on the roles, history, and impact of the foreign mission community residing in the United States.
