NOTICE

Snow and Ice Sidewalk Maintenance in District of Columbia

The Department of State wishes to inform all International Organizations of the rules regarding the removal of snow and ice from sidewalks in the District of Columbia.

All International Organizations are reminded to comply with the District's law requiring property owners (and lessees, depending on the lease terms) to clear the sidewalks within 24 hours of a storm's end so pedestrians can walk safely.

Please visit the District Department of Transportation's website at <https://dpw.dc.gov/service/dc-snow-removal> for additional information.

Inquiries regarding this matter may be directed to the Department's Office of Foreign Missions (OFM) at OFMProperty@state.gov.
