REPUBLIC OF TRINIDAD AND TOBAGO – Summit for Democracy – Written Statement

**Summit for Democracy Commitments  
by the Republic of Trinidad and Tobago**

Amidst both longstanding and contemporary challenges, the Government of the Republic of Trinidad and Tobago remains fully committed to observing and preserving the principles of democracy and the doctrine of the rule of Law.

Trinidad and Tobago and the CARICOM as a whole, affirm the enduring values of dialogue, diplomacy, and the peaceful resolution of differences in helping to chart the way forward in our dynamic modern times.

The Government of the Republic of Trinidad and Tobago also believes that transparency and accountability in government will promote integrity in public life, discourage corruption and foster confidence in the stability of a democratic government. To this end, we have enacted the Integrity in Public Life Act, and more recently, the Proceeds of Crime Act and the Public Procurement and the Disposal of Public Property Act.

The Government of Trinidad and Tobago looks forward to participating in global concrete action toward democratic renewal with a view to strengthening democracy, fighting corruption and promoting respect for human rights.
