

QSI INTERNATIONAL SCHOOL OF CHISINAU (QSIC)

ASSISTED SCHOOL SPECIAL NEEDS PROFILE

School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, current unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in late 2020. If a field is not specified, please reach out to the REO listed below for more information.

The QSI International School of Chisinau (QSIC) is an independent, coeducational day school, which offers an educational program from pre-kindergarten through grade 12 for students of all nationalities. The school was founded in 1996. The school year comprises three terms extending from late August to mid-June. The school is fully accredited for grades PK-12 by Middle States Association of Colleges and Schools. Read more on the [Overseas Schools Fact Sheet](#).

MISSION & VISION

"With students from over 18 different nationalities, the Preschool through Secondary School programs at QSI International School of Chisinau focus on the development of 21st Century Learning skills such as critical thinking and problem solving; leadership and collaboration; cultural awareness and digital literacy."
