

AMERICAN SCHOOL OF THE HAGUE

ASSISTED SCHOOL SPECIAL NEEDS PROFILE

School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, current unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in late 2020. If a field is not specified, please reach out to the REO listed below for more information.

American School of The Hague is an independent, coeducational day school, which offers a university-preparatory, U.S.-style educational program from preschool through grade 12 for students of all nationalities. The school year comprises two semesters extending from mid-August to mid-June. Read more on the [Overseas Schools Fact Sheet](#).

MISSION & VISION

The school's mission reads: "We build a better world as we become better human beings, hear and value every voice, keep every promise, and celebrate every achievement." The school has the following vision: "We are determined to create a school where everyone is confident and able to take control of their own learning, and the world is our classroom."
