

# THE INTERNATIONAL SCHOOL PORT-OF-SPAIN

## ASSISTED SCHOOL SPECIAL NEEDS PROFILE

School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, current unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in late 2020. If a field is not specified, please reach out to the REO listed below for more information.

**The International School of Port-of-Spain** is a private, not for profit coeducational day school, which offers an educational program for students in Pre-Kindergarten through Grade 12. The school opened in September 1994. The school year comprises two semesters extending from late August to mid-January and mid-January to late June.
