

# TASHKENT INTERNATIONAL SCHOOL (TIS)

## ASSISTED SCHOOL SPECIAL NEEDS PROFILE

School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, current unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in late 2020. If a field is not specified, please reach out to the REO listed below for more information.

**Tashkent International School (TIS)**, an International Baccalaureate (IB) World School, is an independent, nonprofit, coeducational, day school from preschool through grade 12. TIS was founded in 1994 by the United Nations Resident Coordinator and the Ambassadors of the USA, UK, German, French and Korean embassies to provide quality education in English for children of the diplomatic corps, international corporations, and local families. The school was founded in 2004. Read more on the [Overseas Schools Fact Sheet](#).

### MISSION & VISION

We also value well being and provide a safe, nurturing environment where all students can discover what they are good at and explore interests with a wide range of subjects and experiences. TIS encourages and supports our students to focus on community service and participate fully in a rich extracurricular program of sports, fine arts, and a wide range of clubs and activities.

### ADMISSIONS

The school's admission criteria and procedures can be found at [www.tashschool.org/admissions](http://www.tashschool.org/admissions).

IN GENERAL, THE SCHOOL CAN SUPPORT STUDENTS WHOSE LEARNING SUPPORT NEEDS ARE

**Mild to Moderate**
