

QUALITY SCHOOLS INTERNATIONAL - BAKU INTERNATIONAL SCHOOL (QSIB)

ASSISTED SCHOOL SPECIAL NEEDS PROFILE

School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, current unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in spring 2022. If a field is not specified, please reach out to the REO listed below for more information.

Quality Schools International - Baku International School (QSIB) is an independent, coeducational, day school, which offers an educational program for students from pre-kindergarten (two years old) through grade 12 for students of all nationalities. The school was founded in 1994 and expanded its program after moving to its new facility during the summer of 2003. Read more on the [Overseas Schools Fact Sheet](#).

MISSION & VISION

"Baku International School is an exciting place to be. Not only do we inspire students to achieve high academic standards, but we also provide an environment that fosters a love for learning. A teaching staff are qualified professionals who bring a wide expertise of educational experience for students, 2 to 17 years old. QSI curriculum includes a rigorous course of study that prepares students to successfully enter universities around the world."

ADMISSIONS
