

Clean **EDGE** Asia
Enhancing Development and Growth Through Clean Energy
The U.S. Government's Indo-Pacific Clean Energy Initiative

To Whom it May Concern,

Clean EDGE Asia, the whole of U.S. Government initiative for clean energy transition in the Indo-Pacific, cordially invites you to a workshop on clean energy investment opportunities in South Asia on February 9th in Bengaluru, India at the Taj Yeshwantpur hotel. The U.S. Department of State's Bureau of Energy Resources (DOS-ENR) and the U.S. Department of the Interior's International Technical Assistance Program (DOI-ITAP) are hosting this one-day event, with additional U.S. Government agencies in attendance. The workshop will immediately follow [India Energy Week](#), which runs from February 6th to 8th at the Bengaluru International Exhibition Centre.

The Clean EDGE Asia workshop is comprised of several panels, presentations, and networking sessions that will highlight the technologies, regulations, and economic trends driving the clean energy transition in South Asia.

For a more detailed description of the potential themes of the workshop, please see the event's abstract below.

Clean EDGE Asia SCOUT Workshop Abstract:

Hosted by the U.S. DOS-ENR and DOI-ITAP, this workshop will feature U.S. Government, U.S. private sector, and select international perspectives on clean energy development initiatives in the South Asia region. Through a combination of panel discussions and presentations, invited experts will share information on the technical, legal, and economic trends shaping the development of the clean energy in their respective organizations, sectors, and countries. Invited presenters and panelists will speak to the ongoing initiatives in their areas of expertise that promote clean energy development. The workshop will focus on opportunities for U.S. and other international and inter-regional investors to support clean energy industries throughout the South Asia region.

Given the experience that you and your organization have in South Asia's renewable energy sector, we hope that you will join us on February 9th in Bengaluru for this workshop.

We kindly request response via our online RSVP form below by **Friday, December 23rd**, to confirm your availability:

[RSVP online to the Clean Edge Asia Workshop in Bengaluru here.](#)

We are happy to schedule a call with you to answer your questions or provide more detail on the workshop.

Thank you for your time. We look forward to hearing from you.
