# COLEGIO ROOSEVELT, THE AMERICAN SCHOOL OF LIMA

## ASSISTED SCHOOL SPECIAL NEEDS PROFILE

**NOTE:** School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in spring 2023 and shows the availability of services rather than an assessment of the quality of the services. The profile is intended as a jumping off point for a conversation with the REO and school to understand the best fit for your child. Definitions may vary school to school. If a field is not specified, please reach out to the REO listed below for more information.

**Colegio Franklin D. Roosevelt, The American School of Lima** is a private, coeducational day school founded in 1946 which offers an educational program from early childhood (EC3) through grade 12 for students of all nationalities. The school year is comprised of two semesters extending from August to December and from February to June. Read more on the [Overseas Schools Fact Sheet](#).
