

# INTERNATIONAL SCHOOL MANILA

## ASSISTED SCHOOL SPECIAL NEEDS PROFILE

**NOTE:** School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in spring 2023 and shows the availability of services rather than an assessment of the quality of the services. The profile is intended as a jumping off point for a conversation with the REO and school to understand the best fit for your child. Definitions may vary school to school. If a field is not specified, please reach out to the REO listed below for more information.

**International School Manila**, founded in 1920, is a private, non-sectarian, not-for-profit day school for boys and girls from preschool through grade 12. Read more on the [Overseas Schools Fact Sheet](#).

### ADMISSIONS & SPECIAL NEEDS INFORMATION

The school's admission criteria and procedures can be found at [www.ismanila.org/admissions/apply-now](http://www.ismanila.org/admissions/apply-now). Special needs information can be found at [www.ismanila.org/learning-at-ism/learning-support](http://www.ismanila.org/learning-at-ism/learning-support).
