

STUTT GART, GERMANY INTERNATIONAL SCHOOL STUTT GART

ASSISTED SCHOOL SPECIAL NEEDS PROFILE

NOTE: School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in spring 2023 and shows the availability of services rather than an assessment of the quality of the services. The profile is intended as a jumping off point for a conversation with the REO and school to understand the best fit for your child. Definitions may vary school to school. If a field is not specified, please reach out to the REO listed below for more information.

International School Stuttgart

The **International School of Stuttgart** is an international, coeducational day school, which offers an educational program from an early childhood three-year-old class through grade 12 for students of all nationalities. The school was founded in 1985 and offers all three IB programs on two campuses. ISS has been awarded local MINT (STEM) and Digitale Schule certification and is widely recognized as the leading secondary educational institution in our region. Read more on the [Overseas Schools Fact Sheet](#).

ADMISSIONS & SPECIAL NEEDS INFORMATION

The school's admission criteria and procedures can be found at www.issev.de/admissions. Special needs information can be found at www.issev.de/campus-degerloch/be-supported.
